

AIESEC International Network

AIESEC

The international platform for young people to discover and develop their potential

AIESEC

AIESEC, the world's largest student-run organization, is the international platform for young people to discover and develop their potential to have a positive impact on society.

In partnership with business and higher education, AIESEC has 60 years of experience in developing students into globally-minded leaders. AIESEC's innovative development process consists of unmatched leadership experiences and global internships program. Every year AIESEC facilitates over 5000 exchanges across 105 countries, with an overriding commitment to International understanding and cooperation. AIESEC has an innovative approach to engaging and developing young people into the leaders needed today and tomorrow.

AIESEC provides Danish companies with qualified and talented students and recent graduates across its network. **AIESEC facilitates the entire process** for the employer, from candidate selection, preparation, relocation to integration.

Core-work

AIESEC facilitates international traineeship exchanges and supporting activities that provide practical learning experiences for our trainees and that facilitate the learning of our members and other stakeholders.

Our Organizational Values

“The United Nations has long recognised that the imagination, ideals and energies of young men and women are vital for the continuing development of the societies in which they live. AIESEC has contributed to this development by serving as an agent of positive change through education and cultural exchange to develop a broader understanding of cultural, socio-economic and business management issues.”

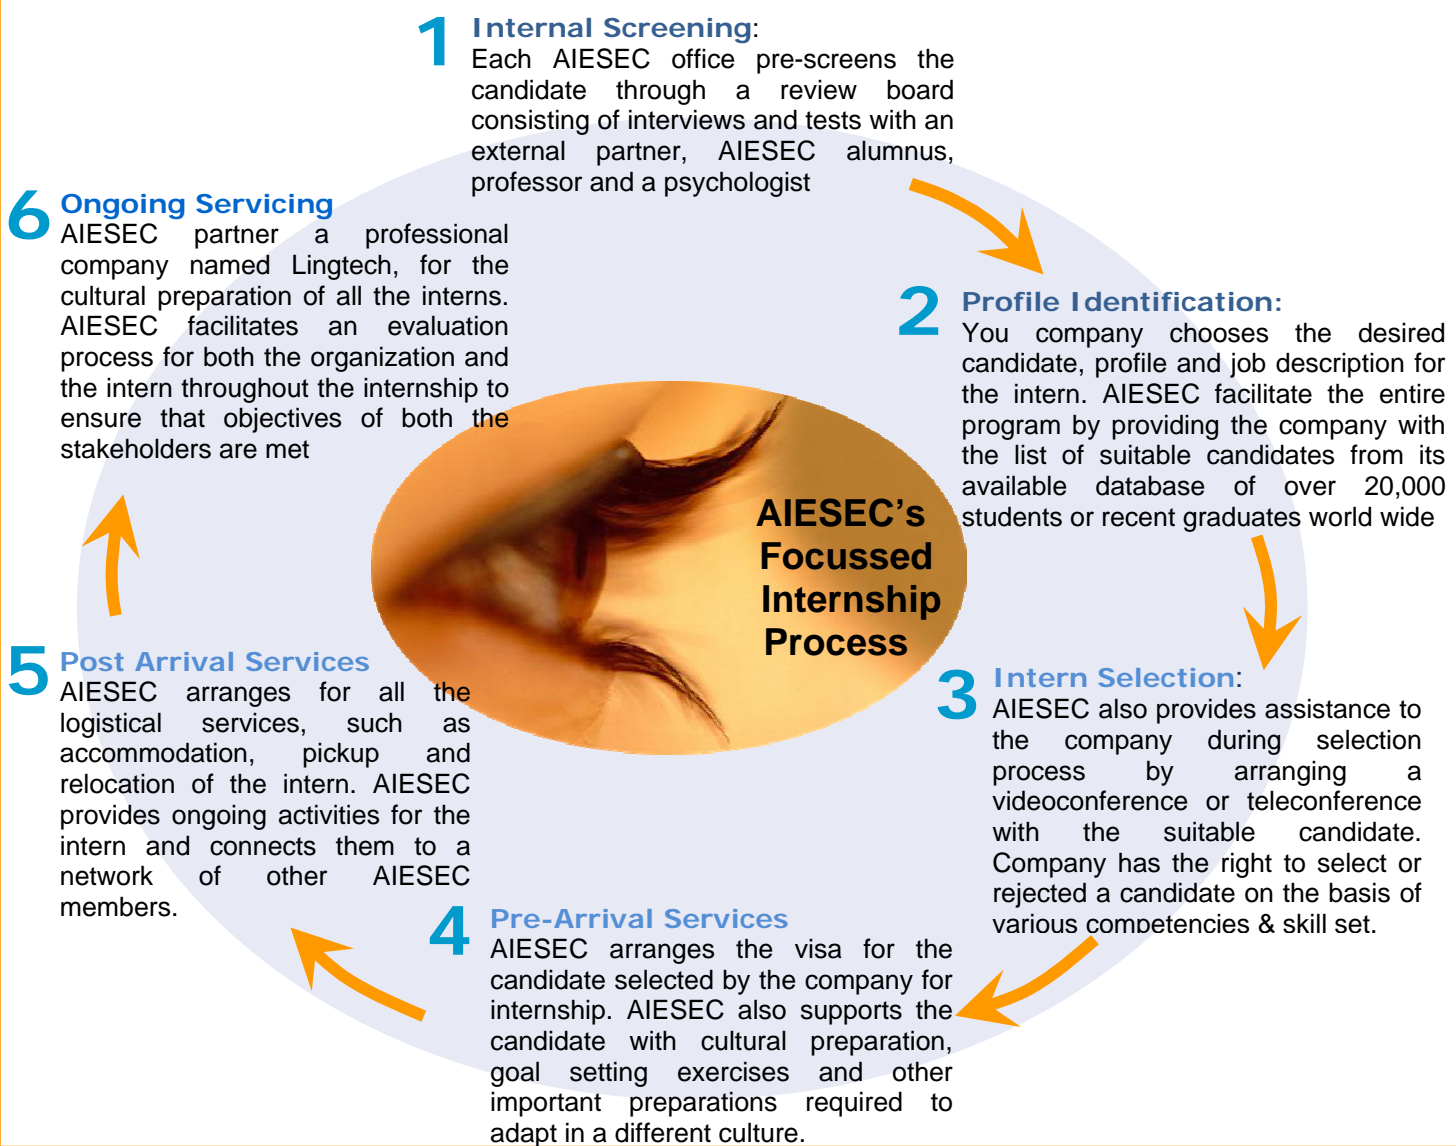

Kofi Annan
 United Nation

AIESEC Exchange Program...

Global Internship Program

AIESEC Global Internship Program stands apart from an average Cultural Exchange Program. The program aims to provide young people with an opportunity to discover and develop their potential, with an objective of developing their leadership and entrepreneurship skill. AIESEC provide young students with an extensive learning platform and an opportunity to live and work in a multicultural environment. AIESEC handles all logistics pre-arrival as well as ongoing communication and community involvement for all the students, duration their stay in the host country.
